Women in STEM Luncheon Registration

South's BEST is proud to once again host an event for women with an interest in science and engineering. This year, the event will be a luncheon on Saturday, December 1 from 12:00 noon – 1:30 p.m. at the Science Center Auditorium. Seating is limited and on a first-come, first-served basis. Each BEST team may register 6 students and up to two adult chaperones until spaces fill. Once Jessica has confirmed your school's seats at the luncheon, teams may substitute students into those slots without notifying the South's BEST staff.

Fax or e-mail this completed form to Veronica by Tuesday, November 13th.

Team #: _____ School: _____

Local Hub: _____

Primary teacher name: _____ Cell #: _____

Primary teacher email: _____

First Name	Last Name	Indicate student, teacher, mentor, parent	Grade in school (students only)	Check below if vegetarian meal is needed
